

FREEMAN FOCUS

Thank you Freeman Patrons!

Through our partnership with Dell, and the Capital Levy projects fund, students and staff came back to school with 840 beautiful Chromebooks. Here is what the students had to say about receiving these amazing pieces of new technology.

“The new Chromebooks have improved my experience at FHS because, when I get home and do my homework, I feel like I can pick up right where I left off at school.”
Willow Ennis - 11th Grade

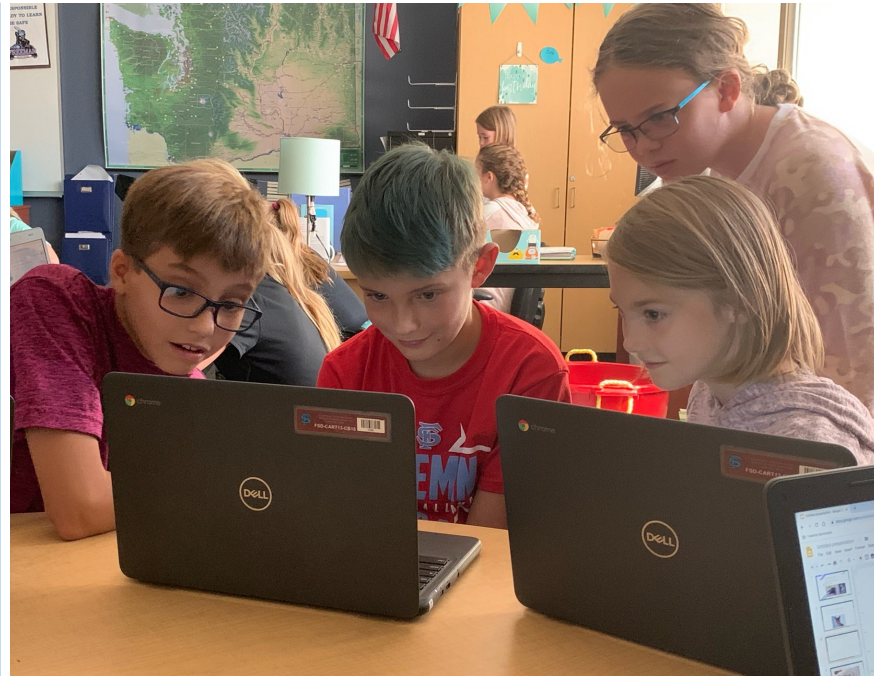

“Chromebooks have given students a reliable source to manage school work well. Thank you for your help!”
Hannah Flaig - 11th Grade

The Chromebooks have helped us immensely! They allow us to access the internet much easier without having to use our computer labs. It also helps the teachers help their students. Using Google Classroom, we can access more assignments and schoolwork. This is also helping the school cut down on paper use. They work fast and so can the students. We love our new Chromebooks!
Lane Mathews - 8th Grade

“The Chromebooks have been a real blessing; they make school better by giving us better access to the world of technology. Thank you!”
Abigail Achenbach - 8th Grade

Dear Community,
Thank you so much for these lovely computers! They are helping make learning so much more exciting and fast! I promise we will take extra good care of these extraordinary computers!
Your friend,
Avelinn Leavy - 4th Grade

Dear Patrons,
Thank you for the new Chromebooks. I will try to use it as much as I can during the years I'm going to this school. I will use it for typing, reading, and assignments.
Sincerely,
Jake Barthuly - 4th Grade

1st Row - 4th Grade Students
2nd Row - Elementary Students, Middle School Students
3rd Row - High School Students, Mrs. Edwards 4th Grade Class

Monday, 11/25
Thursday, 12/12
Thursday, 1/9 - 11:00 am - FHS
Thursday, 1/30

WINTER WEATHER PROCEDURES

Winter weather is approaching and it could have an impact on school days. If school schedules change due to poor weather conditions, parents can expect to get an early morning call and/or email (at or before approximately 6:15 am) via school messenger with all the details. Community members may also tune to their favorite radio or television stations for updates. Updates will also be posted to the ESD 101 website - www.esd101.net. During two hour delays, no breakfast services will be offered and am preschool will not be held.
