

FREEMAN SCHOOL DISTRICT #358

Parental Input Form for Class Placement (Optional - not required)

March 2018

Dear Parent/Guardian:

Many factors are taken into consideration when determining class lists. The teachers, specialists, counselors and principal work together in an effort to plan for the composition of classrooms for next school year. We try to balance the number of boys and girls in each class while considering ability levels, compatibility, special needs, learning styles and teaching styles.

Please complete this form to share information with the school about your child's learning needs that might be helpful as we prepare class lists for fall. As always, our intention is to provide the best learning environment for every student and your input will be greatly appreciated.

Requests for specific teachers by name or gender will not be accepted.

The process is as follows:

March 26 Form posted online

April 27 Deadline to submit Parental Input Form to school office

Your input is important to us. However, we cannot guarantee a specific placement for your child. Please return this form to the office by Friday, April 27 no later than 3:00 p.m. Forms received after the deadline may not be considered.

Thank you for your time. If you have questions, please feel free to call the office at (509) 291-4791.

Sincerely,

Lisa Phelan
Principal

Parental Input Form for Classroom Placement

(Optional - not required)

Student's Name

Current Grade Level
