

Freeman Students Matter!

Support PTSA

Supporting the Freeman PTSA is:

1. **Community!** Joining the PTSA as a member (it's our legislative voice and connects us to resources statewide).
2. **Financial Support!** Donating \$\$ (helps provide funds for programs both inside and outside the classroom).
3. **Volunteers!** Donating Time (help with much needed non-time-intensive volunteer opportunities).
4. **Participation!** Attending PTSA meetings to give input and ideas and stay connected! Getting listed in the Freeman Directory, attending PTSA sponsored events like Talent Show, Harvest Hoe Down, Craft Night and more.

2012-2013

Freeman Family Directory & PTSA Membership Form

To facilitate communication between Freeman families, the Freeman PTSA publishes a student directory. This is done solely by the PTSA and its members, but is available to all Freeman families at NO COST, regardless of PTSA membership. Directories will be available as soon as possible after the new school year begins. To be included in the directory and/or get a copy for your home, please complete and return this form directly (or send with your child) to any of the school offices by **the end of September 2012**.

Only the information you include here will be published in the directory. If you want to be included in the directory, but would like some information to be left out, DO NOT list that information. The directory will be organized by grade. *For your convenience, only one form is needed for Directory, Membership and Volunteering.*

Please list all of your children on one form. Please print. (Write additional children on the side of this sheet)
