

FREEMAN HIGH SCHOOL

"HOME OF THE SCOTTIES"

June 7, 2021

To Whom It May Concern,

My name is Kris Herda and I am the Assistant Principal and Athletic Director at Freeman High School. Freeman High School sits in a beautiful rural community just South of the Spokane Valley. Our district serves around 900 students K-12. The Freeman community is very proud of their school, their traditions, and their history.

As you may know, most athletic departments are working hard to deal with more requirements and programs, while working with less funding. We are in that same position here in Freeman and I have made it my top priority to make sure our athletic department is sustainable and can provide all opportunities to our students to be involved in athletics throughout their career here at Freeman.

On August 14th of this year I will be hosting the Third Annual Freeman High School Athletics Golf Tournament. We will be having a scramble format tournament at the Links Golf Club at 1pm, followed by a dinner. During the event we hope to have items for a raffle and a silent auction.

There are two primary goals of this event:

1. Have an opportunity for the Freeman community and our partners to get together for a day of fun: golfing, eating, and socializing.
2. Raise funds to help us build a budget that can cover costs of equipment, referees, travel, uniforms, and more.

With that said, I'd like to ask for your help in any way possible. Anything you can do to help support this event and Freeman Athletics would be greatly appreciated. Please take a look at the opportunities on the second page. If you have any questions, please do not hesitate to contact me at any time.

Thank you for your time and support.

Sincerely,

Kris Herda
