Adult	\$ 3.90	\$ 702.00	\$ 351.00	\$ 78.00	\$ 39.00	\$ 19.50

* **K-5 Elementary Breakfast** is Served from 7:50-8:10 each morning in the K-8 Multi-Purpose Room

* **6-8 Middle School breakfast** is served as a mid-morning break from 10:09-10:17

* **Lunch Money** - Please send with child or bring to school office. Place money in labled envelope. Checks should have all children, teacher, and amount to be deposited into each child's account.

* **Low meal account balance** - When your child's meal account balance reflects 2 lunches or less, they will receive a pizza stamp on the back of their hand so you will know their need for account deposit. You may call Mrs. McGill at 291-7510 or Mrs. Brock at 291-7301 to check your child's account balance. You may also see and manage account balances online at Freemansd.org, then family access, then entering your account information to gain access. Thank you for keeping your child's meal account balance up-to-date with adequate funds to purchase breakfast, lunch and or a la carte items.

* **Allergies:** IF your child has allergies, please have a physician fill out the prescription form(s) found under the Nutrition services, allergies section of the Freeman Website. Return to your child's school nurse.

The lunch menu will also show a "nut logo" on the days when peanut products will be offered. Upon request, we will have a "nut free" table available for students with nut/ peanut allergies. Note: Manufacturers may change ingredients in the products we purchase without our knowledge. We do our best to identify nut products in our menus but if you or your student has any questions, please contact the Nutrition Services Director, Marci McGill at 291-7510.
