

Future Business Leaders of America

Check it out!

Our Focus....

We focus on 3 aspects:

Social - Where we get to know each other and have a lot of fun! Movie nights, pizza parties, road trips and more.

Education - Where we attend conferences (both locally and throughout the northwest), listen to guest speakers and compete in numerous business related topics!

Service - Where we return our generosity to the community for all that it has given us; including our "adopt-a-highway" project, working with the Vanessa Behan Crisis

What is FBLA?

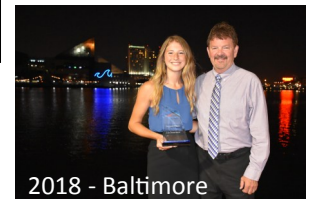

FBLA is the largest and oldest student organization in the world. It is a leadership organization devoted to teaching students how to succeed in the business world through fun events and activities. We participate in business tours, leadership conferences, community service projects, competitions, and group outings. There is something for everyone! It is a place to come together, make new friends, and have fun... and if you're not careful, you might just learn something!

A **WORLD** OF
OPPORTUNITY

FUTURE BUSINESS LEADERS OF AMERICA-PHI BETA LAMBDA | 2019-20

2019 - San Antonio

2018 - Baltimore

2017 - Anaheim

Joining is Easy.....

Dues for the 2019-20 school year will again be only \$25. This is for general membership and for partial entry into the Northeast Region Fall FBLA Conference, which is normally held in October or November.

Simply take your check (made out to FHS FBLA) to Mrs. Hayek in the main office (cash works too!). According to FSD policy, you will also need to have an ASB card, your extra-curricular fee, and a field trip permission slip (for each trip).
