

# FSD TECHNOLOGY NEWS

October, 2024

Dear Parent / Guardian,

As part of our commitment to your child's online safety, we want to let you know about an important update. Freeman School District has partnered with Qustodio, the world's leading provider of online safety solutions.

As devices play an increasing role in children's education it is crucial that we put safeguards in place. Your child already benefits from internet filtering technology which blocks inappropriate web content on their school-owned Chromebook. This is also mandated by US legislation.

Freeman School District is going one step further. We are granting every parent a free Qustodio Parental App account. Qustodio will give you important insights into your child's online activity on their school Chromebook. You can use it to review and manage activities on other devices in your home too.

**With Qustodio, you'll be able to:**

- Manage your child's screen time
- Supervise your child's online activity
- Access expert advice via **[Freeman School District's Online Safety Hub](#)**

Qustodio is a valuable partner that prioritizes privacy, safety and rights of students and parents worldwide.

**Activate Your Free Account**

On the following page, you will find simple instructions to register your account. Please be sure to use the same email address we have on file for you when registering to connect to your child's device.

We are excited to work with you and Qustodio to help our students develop healthy and safe online habits. Please visit **[Freeman School District's Online Safety Hub](#)** for more information about Qustodio, access to expert advice and additional resources.

**Freeman does not provide support for Qustodio; instead, Qustodio offers support for their own product. Please email inquiries to: [myschool@qustodio.com](mailto:myschool@qustodio.com)**

TEAMWORK MADE EASY

# App for Parents & Families

Technology makes a direct impact on children, their families, and their learning environment. For children to learn and grow as digital citizens in our increasingly connected world, we must first lay out the foundations of online safety, digital literacy, and wellbeing.

Through our school district's partnership with Linewize, our online safety and wellbeing provider, we are able to extend visibility and safeguarding controls on to parents and guardians.

**Visibility on student activity and device insights**

**Security coverage for in and out-of-school hours**

**Expert advice and guidance on digital threats and trends**

**Pause button to regulate digital activity**

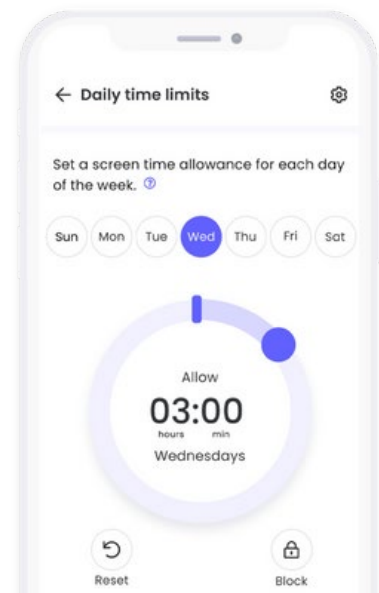

Parents and guardians can also extend protection to personal devices with family-focused digital wellbeing features that adapt to different needs as their child grows:

-  **Filter and block feature for content and apps**
-  **Location tracking and panic button feature**
-  **Visibility on browsing history, social media, and screen time**
-  **Calls & messages tracking to monitor suspicious activity**
-  **Time limits and screen-free schedules**
-  **Tailored reports and alerts for inappropriate content**

Works on the following devices:

**Multi-parent access and management available**

Qustodio is COPPA compliant and does not share personal data with third parties.
