Parent CEE Survey

Dear Freeman Families,

We are partnering with the Center for Educational Effectiveness (CEE) to administer the 2024-2025 Educational Effectiveness Survey (EES). Parents are asked to complete this survey to help us better understand the educational effectiveness of the Freeman School District.

The parent survey link is below. This survey will take less than ten minutes to complete and you can complete it at any time between now and April 9, 2025. You will be asked questions regarding the educational effectiveness of the Freeman School District. We will use this information to assess our areas of strength and opportunities for growth. Thank You!

Sincerely,

The Freeman Leadership Team

Being a Good Friend

Friendships become more important at this age. Teach your child that good friends are kind, trustworthy, and supportive. It’s okay to walk away from friendships that feel unhealthy.

👉 **Try This:** Ask your child what they think makes a good friend. Talk about ways to be a good friend to others.

8th Graders Explore Medical Careers at WSU Riverpointe

On Monday, our 8th-grade class had an incredible opportunity to visit the Elson S. Floyd College of Medicine at Washington State University Riverpointe, alongside students from Lakeside Middle School in Plummer, ID. This trip was designed to introduce students to the wide range of education and career paths in health care. Throughout the day, students explored the anatomy lab, where they saw and handled human organs, participated in a pharmaceutical compounding lesson, and learned about sleep and reaction studies in the University Sleep Lab. They also engaged with medical students in an orthopedic lesson on the femur and knee joint and saw driving simulators in action. Over lunch, representatives from the Speech-Language Pathology department led a session on communication skills. This hands-on experience provided our students with valuable insights into the medical field and sparked curiosity about future career possibilities!
