FBLA Members – On to State!

On February 3, 29 FBLA members from Freeman High School attended the 2022 Northeast Region FBLA Winter Conference at Valley Assembly of God Church in Spokane Valley. Over 300 students from throughout the region competed in a number of business related areas, making this one of the largest regional conferences in the state of Washington. The top six competitors in each competition qualified for the state conference, which will be held in Spokane during the third week in April. Top finishers at the state competition earn the honor to compete at the National FBLA Conference in Chicago this June.

A big congratulations goes out to the following **24** Freeman students who made it into the top 6 in their respective competition, bringing home **42** trophies in the process, and will now be heading to the state conference! Additional students qualified as alternates to the state conference, although those names were not available at the time of this article.
