

A MESSAGE FROM THE PRINCIPAL

Hello Scottie Parents/Guardians/Families!

It is another week for celebration of student successes at FHS! I'd like to start by congratulating Emma Hollen and Avery Boswell - they qualified to represent Freeman at the National FBLA competition this summer. A big congratulations also goes to our Freeman AP students. This year, 47 students completed 97 AP tests across 11 subjects. Your commitment to academic excellence is truly commendable, and we are proud of your efforts.

Our primary SBA State Testing days are complete; if your student needs to complete one of these exams, our College and Career Counselor, Ms. Youseph, will be arranging for make-up testing over the next week.

Finally, I'd like to congratulate our Girl's Golf Team and their coach John Bruno - they are State Champions! We are incredibly proud of their hard work, dedication and teamwork throughout the season. What an amazing accomplishment!

As a reminder, with the end of the school year near, all chromebooks and chargers must be returned to the school for the summer. Any unreturned devices will be charged to the student's account, so please remind your student to ensure everything is turned in on time.

Go Dawgs!

Jeff Smith

GUEST SPEAKER - SAFETY IN THE WORKPLACE

Our students in Construction classes had a guest speaker this week who came in to talk about workplace safety. Young workers are much more likely to get injured at work than experienced workers. For this reason, L&I wants to reach young people before they enter the workforce. Students were drawn to Matt's story of how he lost his arm while working at a sawmill on the west side of the state. He's been speaking to students for about 10 years.
