**BOOK FAIRS**

**CONVENIENT, CASH-FREE SHOPPING WITH eWALLET!**

It's Book Fair Time! This year, say hello to eWALLET! Empower students to choose their own books and check out with their very own digital payment account. Book Fair eWallet can be used at this fair or online. And any leftover funds can be saved for future Fairs! Win-Win!

Visit our school's Book Fair homepage to get started.  
<https://www.scholastic.com/bf/freemanmiddleschool>

Please note: to reproduce this fair is granted by Scholastic Book Fairs.

**10 Days of Giving.** This year's campaign is focused on HRC Ministries. This Spokane-based organization provides healing and restoration for survivors of trafficking, including free lodging, education and prevention. This organization fills a definite need in the Spokane area. Based on our location on I-90, Spokane is a hub for trafficking. While this is a sensitive subject, it is consistent with our support for other victims-- child abuse (Vanessa Behan), spousal abuse (Ana Odgen Hall), homelessness (Blessings) and other organizations Freeman has supported throughout the years.

If you are able, please help by contributing items such as toothbrushes, toothpaste, toilet paper, paper towels, deodorant, paper, cleaning supplies, etc., ...anything that HRC could use in its "safe house," which is where they work with people that have been rescued as they prepare to reenter society.

**TOILETRY DRIVE**

**Starts Monday! 12.5.22**

You can help support survivors!

- TOOTHBRUSHES
- TOOTH PASTE
- TOILET PAPER
- PAPER TOWELS
- DEODORANT
- REAMS OF COPY PAPER
- CLEANING SUPPLIES
- TOILET PAPER!

**HRC MINISTRIES**

HRC provides healing and restoration for survivors of trafficking, and free education and prevention.

### It's Robot Competition Time!

The Freeman Robotics teams have been hard at work and are excited to compete on Sunday, December 11. Teams will present in front of judges and show off robots they've put a lot of time into building and programming, as they complete missions in the First LEGO League Challenge. Come cheer the teams on as Freeman Elementary & Middle Schools host 42 teams across Eastern

Washington for the 2022 competition on December 10-11. This is a big event and takes a lot of volunteers to make happen. Learn more about volunteering and the competition from the robotics links in the information flyers on page 5.

Team 1 (right): "Wild Corn" (Jaxton League, William Frye, Isobel Alsop, Timothy Cochran, Brenden Clark)

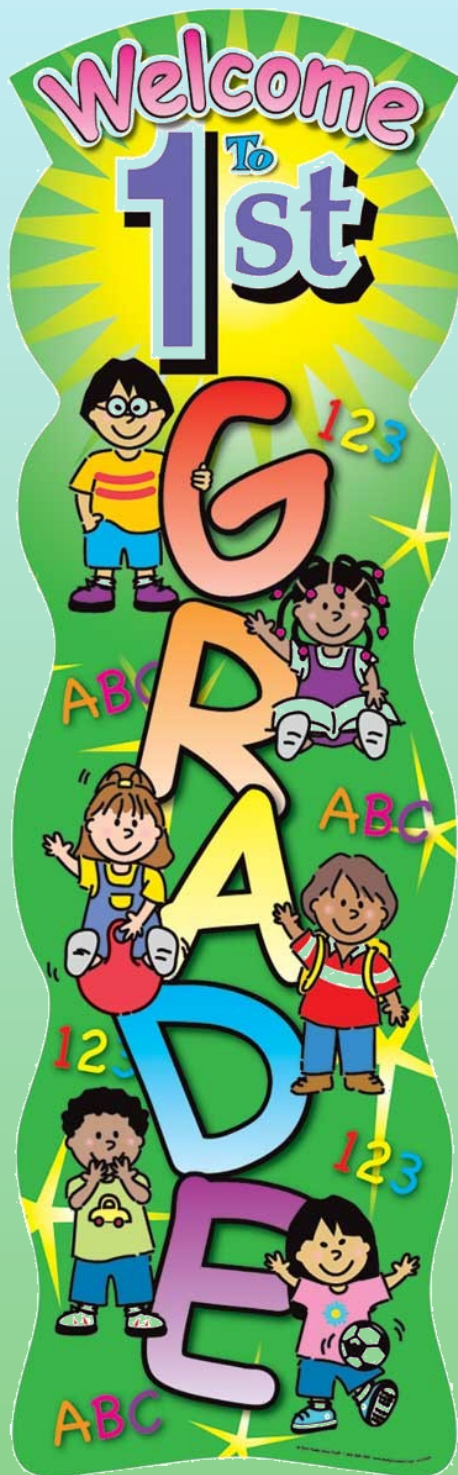

Team 2 (left): "Nuclear Nerds" (Tristan Exner, Brody Reynolds, Carter Kidd, Noah Goodman, Ian Newhouse)

We will have a full two days of competition and activities December 10-11.  
 (Volunteers are still greatly needed and the registration date was extended.)

**Miss Davey's** childhood nickname was "Kimmy Dawn."

On her Bucket List is to complete the Tour du Mont Blanc (TMB). The TMB is a popular long-distance hiking trail and spans about 110 miles through three countries, passing through Switzerland, Italy and France.

She also hopes to run a marathon in her future.

Miss Davey loves to garden. And, she has a brand-new chocolate lab puppy named "George Walter."

**Mrs. Schweiger's** childhood nickname was "Red," because she used to have very red hair.

Mrs. A-R, our STEAM teacher, is her sister!

On her Bucket List is to see a Broadway musical.

She has four children, three of which are Freeman K-12 grads, and one currently attends Freeman HS.

Mrs. Schweiger loves reading, yoga, walks and spending time with family and friends.

**Mrs. Gady** has taught at Freeman for about 21 years, and adds, "time flies when you're having fun!"

Her childhood nickname was "Barbie," which has stuck with her well beyond childhood.

She hasn't created a bucket list, but hopes to see George Strait one day.

Mrs. Gady has been married to Freeman Fifth Grade Teacher Mr. Gady for 24 years, and they live and work on their family farm.

Mrs. Gady is excited about all the next stages of life with their adult kids.

In addition to teaching, she has the useful gift of recalling lyrics from musicals and old country songs.

## Our First Grade Teachers

## Meet our First Grade Student Teachers

**Ms. Jordan Lang** is a student teacher for Mrs. Gady (left). Her childhood nickname was "JoJo." Her bucket list includes travel to the Maldives and driving Route 66. And, a fun fact about Jordan is, she can juggle!

**Ms. Cricket Glanville** is a student teacher (right) for Ms. Davey. She never had a childhood nickname. She has skydiving and traveling Europe on her bucket list.

Her "big news" is that she is getting married in less than six months! (She also mentioned she is a Capricorn, which means... she has a birthday coming up....)

# Volunteers Needed

## We need help with:

We need engineers, teachers, students and people who understand the importance of teamwork. Previous experience is not required and training is available both online and in person the day of the event. This is a fun, energy-filled, exciting day with students aged 9-14 yrs who are engaging with the FIRST program to build science, engineering and technology skills.

# FIRST LEGO League Challenge

## FLL Qualifier

Come cheer on our local FLL teams and learn about how you can get involved in FLL events in your community!

**WHEN: December 10th, teams arrive at 8:00 am; JUDGING at 9:30, GAMES at 1:00 pm, AWARDS at 4 pm**

**WHERE: Freeman Middle School, 15001 S Jackson Road, Rockford 99030**

## WHAT is FIRST LEGO League?

FIRST® LEGO® League Challenge is a learning opportunity designed for kids grades 4-8 to tackle real-world challenges. Students get to brainstorm, solve problems, build, and compete using their creations. Students work as a team to research a problem within their community and prepare a presentation about it and build a robot to complete missions.
