

***Optional Chromebook Assurance Program | Grades 6-12 | 2022-2023 School Year***

As part of our learning program, the Freeman School District provides a Chromebook to all secondary students (Grades 6-12). This device is the property of the Freeman School District. **Chromebooks are issued to 6th-12th grade students for their entire middle school career (6-8) and their entire high school career (9-12).**

Families have the opportunity to enroll in the district's **optional** Chromebook Assurance Program (CAP). While not mandatory, this insurance program is highly recommended as it provides coverage in the event the device is lost or damaged. Annual cost is **\$20 per student** for the school year. (Free/Reduced lunch options requests available at your school.) Families who choose to enroll more than two Middle or High School students in CAP will only be required to pay for two CAP enrollments to cover all district-owned devices in the family each school year. Defective devices will be replaced or repaired at no cost to the family. Fees must be paid **prior to September 16, 2022**.

- To **opt-in** to the annual insurance program, there is a **\$20 fee** for the school year. (Free/Reduced lunch options requests available at your school.) Fees must be paid prior to **September 16, 2022**. To purchase insurance, access Online Payments at <https://wa-freeman.intouchrecepting.com>
- **Opting out of the program** means families will be held financially responsible for the full cost of repair or replacement associated with any damaged, lost or stolen equipment. A fine will be placed on student accounts for the cost of replacing or repairing the equipment.
- **Lack of action prior to September 16th will be considered an opt-out.**
