## FFA Trap at Medical Lake Trapshoot

Our FFA Trap Team spent last Saturday at the Spangle Gun Club for the Medical Lake FFA Trapshoot. There were 22 squads that competed in the wind and rain. Freeman 1 took 2nd place with a 122/150.

Freeman 2 came in 4th place with a 112/150. Again, due to weather, the scores were lower than normal but they were ready to compete in any weather.

Kate D. took 1st place female with a 45/50, Regan S. took 3rd place female with a 40/50. Ryan F. took 1st place in the Annie Oakley out of 45 kids. Ethan D. took 3rd place in the buddy.

## FBLA Regional Conference

Scott Moore took 28 members to the conference/competition where 23 finished high enough to qualify for state in April, taking home 42 trophies in the process.

See the next page for a breakdown of all the awards and categories but they did an amazing job!

### **FBLA Members – On to State!**

On February 6, 28 FBLA members from Freeman HS attended the 2020 Northeast Region FBLA Winter Conference at Valley Assembly of God Church in Spokane Valley. A total of 405 students from throughout the region competed in a number of business related areas, making this one of the largest regional conferences in the state of Washington. The top six competitors in each competition qualified for the state conference, which will be held in Spokane during the first full week of April. Top finishers at the state competition earn the honor to compete at the National FBLA Conference in Salt Lake City this June.

A big congratulations goes out to the following **23** Freeman students who made it into the top 6 in their respective competition, bringing home **42** trophies in the process, and will now be heading to the state conference! Additional students qualified as alternates to the state conference, although those names were not available at the time of this article.
