WELCOME TO THE 2020-2021 SCHOOL YEAR AT FREEMAN!

We understand that you have questions about how we are navigating virtual learning during this time and we thank you for your patience as we have been collaborating and developing our teaching and learning plan.

Please see the draft of the FHS Virtual Learning Schedule on the next page. There will be times during Holiday weeks that the schedule may change but this gives you a general idea.

SCHOOL START

The official first day of school is September 2nd. We will be doing individual student/teacher connections in person September 2nd-4th and 8th to set students up for virtual learning. They will meet with their Academic Enrichment Advisor and be given their google classroom logins, a chromebook and textbooks as well as develop their individual learning plan for virtual needs. Scheduler in Skyward will be open for access at the end of the day Monday, August 24th for you to schedule your student's meeting time. In order to make this work for our teachers, we need to assign specific days for each grade level:

- September 2nd - Seniors
- September 3rd & 4th - Freshman & Sophomores
- September 8th - Juniors

Students will be expected to log in to their classes in preparation for virtual instruction that begins September 9th.

PARENT/PRINCIPAL ZOOM

If you have questions about the schedule or how virtual learning will work, please participate in a Zoom meeting on Tuesday, August 25th, at 7pm. The meeting will be recorded for later viewing if you are unable to attend. We will send out the link via email on Tuesday morning. Questions can be submitted and we will do our best to address them all during the Zoom, but will answer all in a follow-up email the following day.

Nutrition Services can't wait to see you!

This Spring while school was closed, we served over 38,000 meals to kids! Now that's some serious lunch lady muscle!

IMPORTANT THINGS TO NOTE FOR FOOD SERVICE FOR THE COMING SCHOOL YEAR:

1. Meals will be available to all Freeman students, regardless of if they are on campus or participating in distance learning. Stay tuned for more details on how to get school meals for your child.
2. The funding for our program has changed since the Spring, restricting us to return to our typical payment model. This means lunch will be free or reduced (\$0.40) for enrolled students if your family applies and qualifies, otherwise meals will be charged to student accounts like a normal school year.
3. For more information about applying for Free or Reduced Price Meals [click here](#).
4. To find out how to pay for school lunch online, [watch this video](#).
5. If you are interested in volunteering with the nutrition services department this Fall, [please fill out this form](#).
