WE ARE LOOKING FORWARD TO HAVING STUDENTS HERE

We are counting down the hours until we finally get to see your students' masked faces. We wanted to take a minute to give you a few pieces of important information to set them up for success on their first day back. First of all, you should have received communication on what your students' cohort day is. This will be the one day they will come and they will continue to do virtual on other days. On the next page you will find important safety expectations. Please make sure to read it with your student prior to their first day back. We will need students to bring the health attestation form each day they attend to document being symptom free. Transportation is set up and you should be notified of drop off and pick up times. If you have any questions, call transportation at (509)291-5555. We are pleased to announce that breakfast and lunch are free to all students. You don't need to do anything specific for your student to eat on campus. However, if you do believe you qualify for free and reduced lunch, we ask that you fill out the application online to ensure we are able to support you with future programs. [Apply here.](#)

SCHOOL PHOTOS

Hey students, as you know, we haven't had the chance to do school photos this year, but we still need to do a section in the yearbook with your pictures. During the meet & greets, we took a photo of each of you which we could use for the student photo section, but we thought it would be a lot more fun to let you submit your own photo this year. Please submit a headshot (head and shoulders) by October 31st using the google form link to the left. If we do not receive a new picture from you, we will either use your meet & greet photo or last year's yearbook photo. Make sure it is school appropriate.

TYLER BALKENBUSH
SPIRIT COMMISSIONER

My goal this year as Spirit Commissioner and as a Senior is to try and make ALL students feel like they had every opportunity to be involved with school activities, even now when we are doing distance learning. Our Freeman family is something really special and I think people need that connection now more than ever.

**IT STARTS WITH
ME FEATURE**

SCOTT MOORE

LEADERSHIP | PERSONAL FINANCE | DIGI TOOLS | ASB ADVISOR

My goal is to remain as positive as possible, both in and out of the classroom. It is so easy to focus and talk about the negatives when there is so much to be thankful for. My dad was a teacher and always had a motivational saying on his chalkboard, "Stop focusing on how stressed you are and remember how blessed you are." It's not easy to do but with the support of a loving family and the man above, everything is possible.
