Freeman FBLA's Project Lightbulb Needs Your Help!

Project Lightbulb is this year's American Enterprise Project at Freeman High School that is aimed to teach our youth about the importance of free enterprise and business. Please help provide vital community input by filling out this [survey](#).

IAN MOSER
FBLA PRESIDENT

As FBLA President this year, my main goal is to try and make this year as fun and eventful as possible. During these uncertain and stressful times, I want to try and give people an escape where they can get involved with the chapter and participate in as many things as possible. With the ever changing restrictions, it puts us in a tight spot but these circumstances are not putting a damper on my, or any of the other officers' spirits. We will get through this and will have a fun time doing it!

IT STARTS WITH
ME FEATURE

KATHRYN O'CONNOR

ENGLISH
My goal is to smile every day - even if only through my eyes - and to make my students smile as much as possible. We have been through immense trials, but we are strong, resilient and hopefully we can find some silver linings in this difficult time. Through our discussions of literature, we will grapple with life's various trials and hopefully come away with new insights and hope! Let's summon the joy of my daughter by putting on our metaphorical unicorn suits and summoning our "inner hero".

SCOTTIES AGAIN RISE TO THE OCCASION!

Despite being in the middle of a pandemic, our Freeman Food Drive was a great success! We collected over 2,036 food items (over 1,900 pounds) for the North Palouse Community Food Bank.

"Since 2012, the Freeman School District has been doing food drives each year for NPCFB and has generously donated 25,670 pounds of food. We are very grateful to the students, faculty and families that have worked hard for our cause." - Sheila Dyer, director of the NPCFB.

Freeman

"10 Days of Giving"

For 10 days, the Freeman School District is helping those in need during the holiday season. Items may be dropped off in classrooms or at the main office of each school.

Week 1 - December 7 - 11

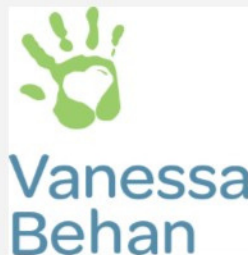

Vanessa Behan Items

- * Baby Wipes (high demand)
- * Bottled Water; Formula (all kinds - unopened)
- * Diapers, Sizes 2, 5, 6
- * Free & Clear Laundry Detergent

Week 2: December 14 - 18

Blessings Under the Bridge

- * Toiletries, coats, gloves, socks, thermals
- * Blankets, cough drops, water, handwarmers
- * Holiday items; Kid's toys; Stockings; Candy Canes

Thank you for giving back to those in need!

For more information about these outstanding community organizations:

FREEMAN SCHOOL DISTRICT'S ANNUAL

Tree of Sharing

Provide local families with extra assistance around the holidays, in the form of presents, gift cards and meals.

CLICK HERE

to sign up to purchase a gift or gift card from our virtual Tree of Sharing

return gift cards and gifts unwrapped to FES by Dec. 11

If you would like to adopt an entire family from the Tree of Sharing, please contact school counselor Stacey Rawson at 509-291-4791 or srawson@freemansd.org.

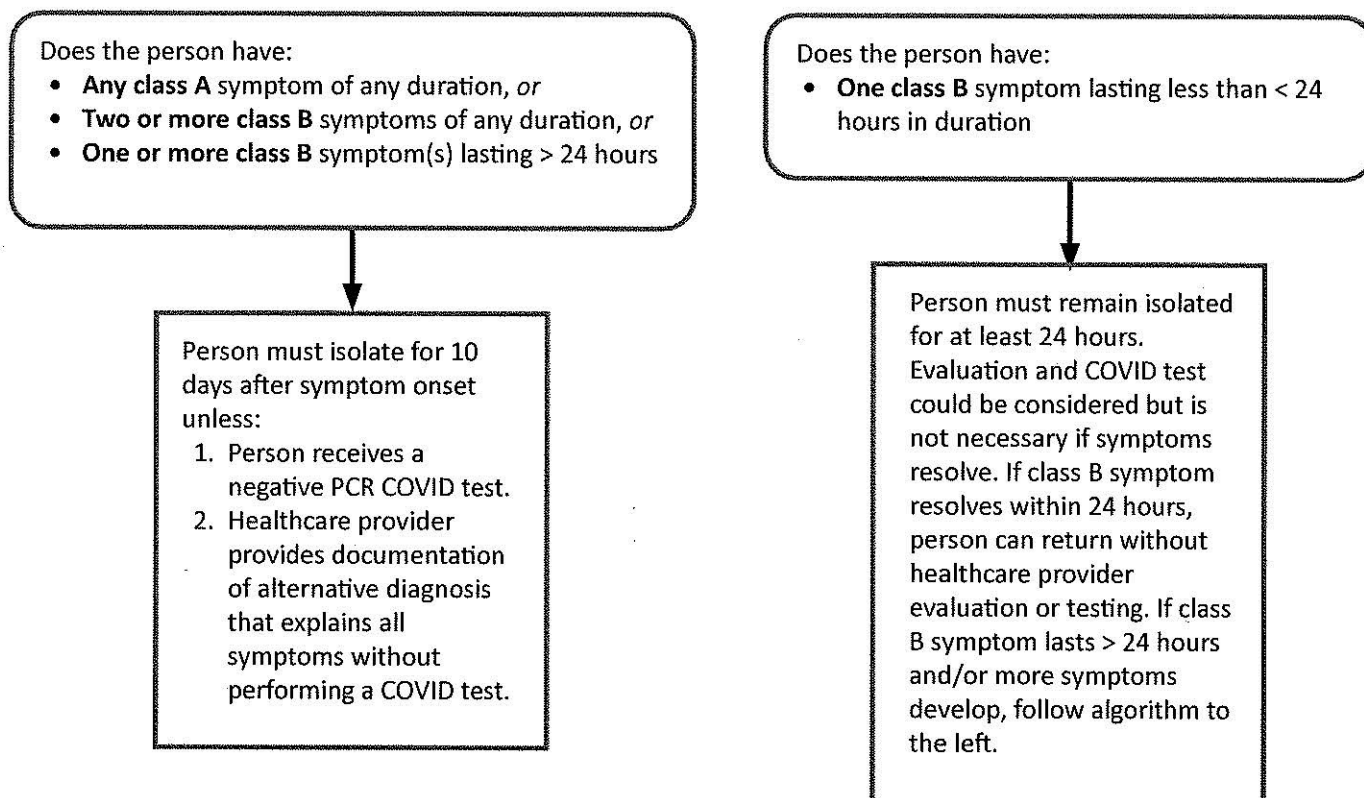

Here is what we will be using as a guideline for COVID-19 exposure and symptoms and return to school/work protocols.

RETURN TO SCHOOL/CHILDCARE/WORK GUIDANCE FOLLOWING A POSITIVE SYMPTOM SCREEN FOR COVID-19 AND NO EXPOSURE

This guidance can be used by schools, childcare and parents when the COVID-19 rate in the community is MODERATE — HIGH (>25 cases/100,000 population over 14 days) and applies to persons with:

- One or more new, unexplained symptom consistent with COVID-19, AND
- No known COVID-19 exposure in prior 14 days

Symptoms consistent with COVID-19	
Class A Symptoms	Class B Symptoms
<ul style="list-style-type: none"> • Fever (defined as subjective or 100.4°F or higher) • Cough • Loss of sense of taste and/or smell • Shortness of breath 	<ul style="list-style-type: none"> • Fatigue • Headache • Muscle or body aches • Sore throat • Congestion or runny nose • Nausea or vomiting • Diarrhea (defined as two or more loose stools in 24 hours)

¹ Examples of alternative diagnosis made by healthcare provider include childhood rash illness, acute otitis media, or a lab confirmed diagnosis such as strep throat or non-COVID-19 viral pathogen. If testing for other viral pathogens, strongly recommend testing for COVID-19 as well.
