Hello Scottie Parents/Guardians/Families:

What a fabulous September! In classes and in hallways, a positive vibrancy exists with students and staff that is heartening to see. Students are eagerly awaiting Homecoming activities, and I thank you for encouraging your students to be a part of so many opportunities that are unique to Freeman.

As I move in and out of classrooms, I see our staff working hard at challenging students to more fully engage in their learning: whether it's through questioning strategies, providing time to problem-solve in teams, or having students work at white boards around the entire room, the active challenge is evident. And I see our students rising to meet these challenges! Outside of the classroom, Freeman students are representing the community well at the Interstate and SE County Fairs, in various club activities and in athletics. Congratulations to FFA for receiving a 1st Place Ribbon at the SE County Fair for their booth!

As we move through October, I challenge all of you to communicate with your students about their learning at Freeman High School; not just their classroom grade, but also what is or is not working for them. Then, feel free to reach out to classroom teachers or myself with feedback; we want to make your students’ educational experience the best that it can be. Go Dawgs!

Dear Freeman Parents Guardians,

We hope this message finds you well. As we continue to provide a safe and enriching environment for our students during after-school hours, we would like to bring to your attention an important matter regarding the supervision of your child(ren) during these Freeman events.

The safety and well-being of our students is our top priority. In order to maintain a secure and enjoyable experience for all, we kindly request your active involvement and supervision when your child(ren) attend after-school events. These events may include extracurricular activities, club meetings, sports practices, and various other programs outside of regular school hours.

To ensure the safety of all children, we ask parents to:
- Attend the event with your child(ren) if they are middle school age & younger.
- Report any unsafe behavior during the event.
- Be a positive role model.

And we ask students to:
- Remain on campus in the designated areas during the events that they are in attendance to support.
- Students should not be in school hallways during an indoor after-school event such as volleyball, basketball or wrestling.
- Students should not be on the baseball or softball fields during an outdoor after-school event such as football.
- Students should not leave an after-school event that they are attending to go to the Freeman Store and then return to the event.

Your support to help keep all children safe is invaluable, and we are confident that with your help, we can make a positive change at after-school events for the safety and well-being of our students.

Thank you for your continued support, and we look forward to working together to create a positive and secure environment for our students.

Sincerely,

Freeman School District Administrative Team

INFORMATION FOR PARENTS & STUDENTS
Our school will participate in the Healthy Youth Survey this Fall.
Friday, October 20, 2023

The survey asks questions about risks for injury, health outcomes, and alcohol and drug use. Schools, and state and local agencies use survey results to support our youth and reduce their risks. The Healthy Youth Survey is voluntary and anonymous and provides important information to guide policy and programs that serve our youth.

Please share this information with your student.
Then talk about the survey and decide if your student will participate.

Q: Who will be asked to take the survey? A: Students in Grades 6 - 12.

Q: Is the survey voluntary? A: Yes! Students taking the survey can skip questions and stop taking the survey at any time. If you do not want your student to participate in the survey, you can call the school to excuse your student. Students can also tell their teacher that they do not want to take the survey. Students not taking the survey will partake in a different activity, such as studying or reading in the library. There is no penalty for not taking part in the survey. Your student’s grades will not be affected.

Q: What questions are on the survey? A: Survey questions come from surveys across the nation and in Washington. Parents or guardians can contact their school office to see a copy of the questionnaire or review the questions on www.askhys.net. Some topics include:
- Information, such as age, sex, race and ethnicity
- Feelings about school and community
- Relationships with parents, friends, and neighbors
- Eating habits, physical activity
- Health education
- Attitudes about and the use of tobacco, alcohol and other drugs
- Behaviors and feelings related to safety
- Behaviors related to violence
- Gender identity (optional and simplified version available for Grades 6 and 7th)
- Sexual orientation (not for Grades 6 and 7)

Q: How is student identity protected? A: The HYS is always voluntary, and students will not put their names on the survey. There are no codes or information to match a survey to a student. No one from the school will look at their answers. Students will submit their completed surveys confidentially when they are done.

If there were unauthorized access to students’ answers, someone might try to identify a particular student using information like school, grade, and race/ethnicity. However, we take confidentiality very seriously and there are several steps we use to prevent unauthorized access to students’ answers and to ensure that the sensitive information collected on the survey remains anonymous. You can learn more at: https://www.AskHYS.net/HYS/HYSInformation

Q: How are the survey results used? A: Schools, school districts, counties and state agencies use the results to understand our students and to provide them with the services they need. Results are used for planning, evaluating, and improving programs, and gathering the money to support them. Anonymous data are also shared with local health departments, Tribal Epidemiology Centers, and approved researchers.

Need More Information?
If you have any questions about the purpose of the survey or survey procedures:
- Call toll-free 1-877-HYS-7111
- Email healthy.youth@doh.wa.gov

Information about the Healthy Youth Survey can be found at: www.AskHYS.net

The Washington State Institutional Review Board has approved the procedures for the Healthy Youth Survey that are described in this letter. If you believe these procedures have not been followed, please call 1-800-583-8488. You do not have to leave your name. All messages will be returned.

Students have been taking the Healthy Youth Survey since 2002. The number of students has grown from only a few thousand students to over 230,000 a year!

Thank you for reviewing this information and talking with your student! The Healthy Youth Survey is sponsored by the following state agencies: Health Care Authority - Division of Behavioral Health and Recovery, Department of Health, Office of the Superintendent of Public Instruction, and Liquor and Cannabis Board.

Max, a Freeman High School Alumni who dedicates his free time by volunteering to serve anywhere he is needed in the Freeman District, has a heart of gold. He had a medical emergency while out of state on the Fourth of July weekend that ended with being life-flighted, intubated, and in the ICU for many days. Medical bills are stacked high. The Freeman community is going to rally behind him and throw a tailgate party, which all proceeds will go directly to Max for his medical bills.

We need your help:

We believe in celebrating the accomplishments and activities of our incredible students a Freeman! Whether it’s academic accomplishments, sports achievements, community service, artistic talents or any other noteworthy activities, we want to share their successes with the community in our Friday Flyer.

But, often times we do not know of these successes or activities, so if you have any photos or information about your child’s achievements or activities that you would like to see featured in our “Student Highlights” section, please submit them to Kristal Hayek at khayek@freemansd.org. Please include a brief description of the event or achievement along with the photo.

Thank you for your help showcasing the wonderful things our students are doing.
