Every year we are required to have certain forms completed by parents/guardians through Family Access. These forms help us gather important information such as student health updates, address/phone changes, Free/Reduced Lunch applications and more to make sure we are providing the best possible educational services for your students as well as have important health and safety information.

These forms can be completed online in just a few steps by logging into Family Access then selecting “FSH Registration for all Returning Students” on the side navigation bar. Please log in ASAP and make sure you have completed this process.

THE FRIDAY FLYER

PAGE 02
Charlie Howard is a senior at Freeman High School. She is deeply entrenched in the world of agriculture, FFA and 4H. Since a young age, she's been working with cattle and last year she took the plunge into showing her steer at events such as Kootenai Classic, Spokane Interstate Fair and the Junior Livestock Show.

"Handling a 1500 lb. animal in the ring takes patience, self-confidence and a certain level of grit that can only be learned by doing" says Charlie. Prioritizing the care and training of her animals is demanding. Charlie dedicates at least 4 hours a day, often starting before school, to prepare her animals and herself for upcoming shows. She’s a keen observer, learning from peers who have incredible experience in this area. She also immerses herself in online resources, such as YouTube and livestock judging websites.

Charlie's sights are set on Walla Walla Community College in the fall, then transferring to the University of Idaho for agronomy and animal science. Her ambition is to build her own shown/beef cattle herd while aiming to become a professional livestock judge. In Charlie, you see resilience, determination and an unwavering passion for the future of agriculture.

Every four years, the WIAA conducts their classification process to determine which classification (4A, 3A, 2A, 1A, 2B or 1B) each Washington HS will compete in. Please click on the image above to be directed to our website to watch a brief video and read the other resources that are available to educate yourself about how the process works. The Freeman School Board will have a work session on 11/29 at 5pm in the K-8 MPR regarding this topic. Chad Ripke and Mike Allen will present the most updated information pertinent to both the NEA League (1A) and the 2B League.
We understand that communication is key. Our primary form of communicating with you as parents/guardians is through this Friday Flyer each week. Here is some basic FHS details...
